## **ADA Facilities Review of WorkForce West Virginia Local Office - Fairmont**

**Background:** Leah Basford from the *Management Analysis Unit* conducted a review at the Fairmont WorkForce West Virginia location, 416 Adams St, Fairmont, WV 26554 on May 28, 2025.

**Scope:** The overall operations of the office were reviewed for compliance with the *2010 Americans with Disabilities Act Title II* regulations.

The following areas were reviewed: **Accessible Approach, Access to Goods and Services, Usability of Rest Rooms, and Additional Access.**

### **PRIORITY 1: Approach & Entrance**

**Parking and Drop-Off Areas:** There are an appropriate number of accessible spaces in relation to the total spaces available, and the spaces have measurements that meet the exception for van accessible spaces and the requirements for standard accessible spaces. All other aspects meet requirements, including proper signage and markings.

**Route of Travel:** All accessible routes meet or exceed the requirements set forth in these regulations.

**Ramps:** The ramp at this location is well within all requirements and does not meet the specifications for needing rails.

**Entrance:** The entryway meets accessibility requirements. The amount of force to manually open the entrance door is within ADA guidelines, and electronic controls are in use. Due to the design, there is no need for the use of stairs. All measurements taken show compliance with ADA standards, and the entrance door is equipped with hardware that is operable with one hand, and does not require tight grasping, pinching, or twisting of the wrist. There are no areas in this area in which use of handrails is required.

### **PRIORITY 2: Access to Goods and Services**

**Interior Accessible Route:** The interior route meets all criteria for compliance. The accessible entrance provides direct access to the main lobby and WorkForce WV office. The route exceeds minimum requirements of 32' of width. The route is stable, firm, and slip-resistant. There are no slopes to navigate, and no elevators are required to access the lobby area, nor the WFWV office.

All area measurements and seating guidelines are in compliance.

**Stairs:** N/A

**Lifts:** N/A

**Ramps (Interior):** N/A

**Signs:** Interior signage at this location is in compliance. Rooms and spaces are designated with text characters that contrast with their backgrounds, text characters are raised, Braille is in use, and all signage is at appropriate heights from floor.

**Elevator:** N/A

**Interior Doors:** Interior doors meet all requirements, including widths of openings, maneuvering clearances, and hardware.

Operable hardware parts are 36" above the floor.

All doors open easily, and a pressure gauge indicated a force of the maximum allowable pressure of 5 lbs. From an open position of 90 degrees, these doors average 9 seconds for closure.

**Rooms and Spaces:** All office rooms and spaces are in compliance. There are no obstructions in any aisles, pathways, rooms, or areas. The front counter is properly accessible and exceeds the 36" requirement for width. All hallways, rooms, and routes are free of obstructions, and exceed all ADA requirements for measurements and safety.

**Controls:** All controls fall within the allowed variances for compliance. Operable parts measure 38" and 36" from the floor.

**Seating:** All seating measurements are within required variances, and while there are no spaces specifically for wheelchair use, all chairs are easily moved and spaces can easily be made.

**Service Counters:** There are no compliance issues with the service counter.

### **PRIORITY 3: Usability of Rest Rooms**

**There are no public restrooms available within the WorkForce West Virginia office.**

### **PRIORITY 4: Additional Access**

**Drinking Fountains:** N/A

**Telephones:** N/A

**Fire Alarm Systems:** Have both audible and visual signals

## ADA Facilities Review of 320 Adams Street, Fairmont, WV 26554

Background: Kristin Dent from McCabe Land Company Limited Partnership (Veterans' Square) conducted a review at the Fairmont location on February 20, 2025.

Scope: The overall operations of the office were reviewed for compliance with the 2010 Americans with Disabilities Act Title II regulations.

The following areas were reviewed: Accessible Approach, Access to Goods and Services, Usability of Rest Rooms, and Additional areas.

Below is the summary of the review.

### **1. Accessible Approach/Entrance**

The following areas were reviewed for compliance with the ADA Title II regulations: Parking and drop-off areas, route of travel, ramps and railings, and the entrance itself.

**Parking and Drop-off areas:** The accessible spaces for the facility are located very close to the entrance and are on the accessible route of travel. There are 5 accessible spots as well as a place to drop-off individuals at the main entrance. All measurements and markings are correct. None of the routes' arrival points require the use of stairs. Accessible spaces meet minimum requirements of eight feet in width and with access aisles of five feet.

**Route of Travel:** All accessible routes meet or exceed the requirements set forth in the ADA Title II regulations.

**Ramps:** The ramp installed to travel from the street parking area to the main entrance of the building are in perfect condition, with minimal slope.

**Entrance:** The entrance meets accessibility requirements. The amount of force to manually open the entrance door is within ADA guidelines, and electronic controls are in use. All measurements are in compliance with ADA standards, and the entrance door is equipped with hardware that is operable with one hand, and does not require tight grasping, pinching, or twisting of the wrist.

### **2. Access to Goods and Services**

The following areas were reviewed for compliance with the 2010 ADA Title II regulations: Doors, horizontal circulation, emergency egress, signage for goods and services, vertical circulation, stairs, elevators, and lifts.

**Doors:** All doors at the location meet or exceed the requirement necessary including widths, openings, maneuvering clearances, and hardware.

**Horizontal circulation:** The accessible entrance provides direct access to all public spaces and the spaces themselves comply with the necessary requirements. All objects in the pathways will be cane detectable and pose no problem.

**Emergency Egress:** Emergency systems have an audible as well as visual cue and meet requirements.

**Signage for Goods and Services:** The signage does not have a tactile element corresponding to the lettering. Only numbers have a Braille equivalent. All signage is at appropriate heights from the floor.

**Seats, Tables, Controls, Etc.:** All controls and other elements are within appropriate reach ranges and operable parts are easily usable by one hand with little force. Seats and tables have proper knee and toe clearance, and all other clearances are within range.

**Vertical Circulation:** There are accessible routes to all public floors.

**Stairs:** Stairs and railings meet requirements.

**Elevators:** Every aspect of the elevator car and its respective exteriors and interiors meet requirements for compliance.

**Lifts:** N/A

### 3. Usability of Rest Rooms

The following areas were reviewed for compliance with the 2010 ADA Title II regulations: Getting to the Rest Rooms/Doorways and Passages, Urinals, Lavatories, and Stalls.

**Getting to the Rest Rooms/Doorways and Passages:** The doorways, passages, and entryways conform to standards.

**Urinals:** Urinals in the men's room meet all requirements.

**Lavatories:** Meets all criteria for compliance.

**Stalls:** The restroom stalls meet or exceed all requirements for compliance.

**Soap Dispensers and Paper Towel Holders:** Meets all criteria for compliance.

### 4. Additional Access

The following areas were reviewed for compliance with the 2010 ADA Title II regulations:

**Drinking Fountains:** Drinking fountains meet requirements.

**Telephones:** N/A
