<sup>1</sup>These partners/programs are linked virtually through online service access to a program staff member via American Job Center resource rooms and through cross-trained staff and other, physically co-located, partner staff that can provide information and referrals. The Council of Three Rivers American Indian Center (representing INA) is strongly encouraged, but not required, to contribute to the cost of infrastructure and certain additional services.

<sup>2</sup>An FTE (full-time equivalent) is the hours worked by one employee on a full-time basis. The concept is used to convert the hours worked by several part-time employees into the hours worked by full-time employees. On an annual basis, an FTE is considered to be 2,080 hours, which is calculated as 8 hours per day or 40 hours per work week. Virtual partners, or those not co-located in the AJC must be accessible at a minimum of 7 hours per week.
